Welcome to the 2016 D&H Heritage Yearling Bull Sale,

We get excited when it is time for us to start selling our yearling prospects. We know this is our future and we look forward to seeing them perform for our customers.

These young prospects have years of genetics behind them, we have bucked through them and hand selected them for this sale. We are confident this is an exceptional group that can compete at any level, step up to major leagues, and make premier herd sires. If you take the time and study the pedigrees of the top bulls at last year's ABBI Finals and bulls that were selected to perform at the PBR Finals you will see the impact the Page genetics haven had on this industry. We are not bragging just stating facts. We are very proud to see our genetics and the bulls we have produced do so well.

We have bucked these bulls a few times and have strived to create the best videos we can to show you what we have seen out of them. As most of you know, many of these young bulls are just now putting it all together and some will figure it out quicker than others.

As the Bucking Bull industry continues to expand with opportunities the earning potential of this set of bulls is incredible. All of these bulls are eligible for the 2017 D&H Incentive Futurity, which has \$100,000 added, with \$50,000 guaranteed to the winner. Many of them are paid current for the 2017 American Heritage Futurity as well. We look forward to watching your success.

New this year, we are combining two great sales. Our yearling bull sale and the ABBI Fabulous Females Sale will be held in conjunction at the same time and the same location.

It takes a lot of work and time to prepare for these sales and to do all the day-to-day care. We want to say thank you to Jackie, Rooster, Pup, and Dave for going that extra mile and to the many great friends that have offered their help getting these bulls bucked.

We certainly appreciate the ABBI for letting us be a part of a great Bucking Bull weekend. This will be a fun, action packed week so come take in all the events.

This sale is truly a sale of opportunity! Study your catalog, pay close attention to the videos, and don't hesitate to ask questions.

Thank You,
D&H Cattle

Here is a whole lot of bang for your buck. This one is sired by an impressive son of Classic Champion Crosswired, who had the ability to get off the ground and make it look so easy. He passes those traits on to this one. He's one to watch for sure.
