## Schedule

Friday, December 2, 2016

5:00 p.m. Dinner

6:00 p.m. D&H Bred to Buck Sale

Welcome to D&H Cattle Co. Fall Bred to Buck Sale!

The bucking bull industry continues to gain speed and we are so proud of the number of champions our genetics are producing. We are extremely excited about these lots selling and we are pleased to offer you our best.

We've added a few new twists to this year's offering. Once again we will be selling a great set of yearling females which we believe will be the dams of the next generation of great bucking bulls. These females are backed with years of proven genetics and we have 100% confidence they will work for you. The dam of the 2016 Classic Finals Champion bull was purchased in one of our past sales so don't miss this opportunity.

The yearling bulls in this offering are some of the very best we will sell this year. There is no doubt there are several super stars in this group and you could own the next one.

For the first time in years we are offering frozen embryos out of our most elite, proven donor cows and sired by some of the best bulls in the PBR. It doesn't take a rocket scientist to understand the value of a bloodline loaded with proven winners.

We truly appreciate everyone involved in making D&H Cattle what it is today. We couldn't do it without you guys that work so hard at home and on the road as well. You are the best and we cannot thank you enough!

This sale is packed with potential, so study the catalog, give us a call if you have questions, and we will see you December 2nd!

Thanks for your interest,  
D&H Cattle Company

- Nearly all of the genetics that have made us successful are in this heifer's pedigree. Sired by 6A Test Fire, who was by the 2012 ABBI Classic champ, 2013 PRCA BBOY and 2013 reserve PBR BBOY Shepherd Hills Tested and out of a full sister to the Classic Champ Crosswired. 6A was one of our best futurity calves to date before losing him to a devastating injury.
- If the top side isn't impressive enough, check out the bottom side. Showtime (sire to Sweetpro's Long John and Sweetpro's Bruiser) over 590-228, the dam to Mudslinger, our first PBR Bucking Bull of the Year. If you are serious about raising world champions this is where you start.

- We have all been waiting to see what Long John would do as a sire, and he has impressed us. This black calf is made right and bucks hard. He reminds us so much of SweetPro's Long John it's hard not to get excited about his future. His dam has already proven she can raise money makers. This one is sure to take that to a new level. Don't miss a great opportunity to own the next superstar! Paid current for the 2017 Million Dollar Futurity, and American Heritage Futurity.

- There isn't much to say for this calf because he really speaks for himself. He's been impressive from the start, but the last handful of trips have been as good as any we have seen by a yearling! He is sired by 61W Fire Show and out of an X6 daughter. X6 is sired by Crosswired out of 05-106, making him a maternal sibling to Margy Time, Red Hot and several other money earners. 33C goes back to some of our best sires and top producing dams so the breeding opportunities with this calf are endless. A calf like this doesn't come around often so get in now or try to beat him later. We brought you our best so tie in with confidence!! - The Fire Show calves blow us away! His calves have all the kick, drop and intensity it takes to be competitive, and this calf has all those traits and then some. His dam is pretty impressive as well, she is a maternal sister to SweetPro's Long John and is sired by former PBR short round bull Shane. He's a stand out! - This is a great opportunity to buy a short go caliber bull with his whole competition career in front of him. By one of the most exciting bucking bulls ever born here on the ranch, Stone Sober, and out of a great producing cow family. Getting these bulls to get their front end off the ground is impossible to do without genetics. Watch this calf get off the ground, kick and spin. He's the spitting image of his sire 44W Stone Sober!!!

- Sired by the athletic Stone Sober out of a double bred Showtime daughter. This cow family has produced several rank bulls like Savage Shaker, Copperhead Slinger, Sooner Shaker, and throw in Stone Sober and see what you get. 524C is explosive out of there and when he puts it together he's extremely special. Big air and lots of kick, plus he's big and stout to boot. if you like them to jump high and kick here's your calf.

The impact Smooth Move has made on our program has been phenomenal. He was a super star for us winning multiple Classic Championships including being the 2004 Finals Reserve Champion. When we saw the athleticism, leap, drop, and intensity of Smooth Move, we knew we wanted to breed cows to him. He not only had some of the key ingredients we were wanting to improve in our program he was also a total outcross. Smooth Move has done an incredible job for our program and his offspring continue to exceed our expectations. He sired ABBI Classic Champion and PRCA BBOY Shepherd Hills Tested, PBR Super Star Stone Sober, and Midnight Mood to name a few. His semen has only been offered on a very limited basis, here's a chance to take your program to the next level.
