**E9 Little Johnny,
2019 Incentive Futurity Winner**

Welcome to the 2020 D&H Heritage Yearling Bull Sale,

This yearling bull sale is hard to prepare for but very exciting as we watch these young superstars perform. These bulls not only represent our breeding program, they will represent our program for the next three years in competition. There have been so many great bulls which have been purchased in this sale the past several years, World Champion Futurity Bulls, World Champion Classic Bulls, and Bucking Bull of the Year Contenders. This sale definitely has a proven track record!

These yearling bulls have been handled, bucked, and trimmed down to the most elite, so buy with confidence. This is one of the most anticipated weekends of the year for D&H Cattle. It's also exciting to see the new owners and new partnerships that will be made when the auctioneer says sold.

These yearling bulls are extremely talented and are backed by years of proven genetics. At times we don't believe we have them 100% ready for this sale. As many of you know, it involves a lot of time and effort to put it all together and bring videos that we believe display their true abilities.

Once again, these bulls selling will all be eligible to compete in our 2021 D&H

Incentive Futurity with \$100,000 payout. Only bulls we sell at auction will be eligible to compete, so don't miss this opportunity!

This industry continues to grow and improve each year, with more opportunities to compete and win money. Thanks to the ABBI and their leadership for making many of these events and programs happen. We also appreciate the ABBI for allowing us to host our sale in conjunction with the most prestigious event of the summer.

We appreciate everyone involved in making this sale happen. It takes a great team and countless hours to prepare and produce this sale. We have a great crew and they make it all come together.

This offering is amazing, and the future is now! Study your catalog, videos, and don't hesitate to ask questions. We will post sale order and the bulls that only sell as half interest the day prior to the sale.

Thank You,
D&H Cattle
