Welcome to THE Cowtown Style Yearling Bull Sale Presented by D&H Cattle and Lone Star Bucking Bull Genetics. While 2020 has thrown many twists at us, we are proud to be apart of a business community and industry that has stood strong. We are excited that you have taken the time to view our catalog and participate in our sale.

Having said that, one thing that is most certainly true about 2020, is that the yearling bull calves that we have produced are second to none. This sale has added a new twist that has blended offerings from two breeding programs in which have like minded thoughts concerning the animals, events and opportunities for our buyers.

We want our customers to be as successful as possible while being able to enjoy the "western lifestyle" in which our industry follows. ALL OF THE CALVES BEING OFFERED IN THIS SALE ARE ELIGIBLE FOR A \$70,000 ADDED FUTURITY THAT WILL BE HELD NEXT MONTH IN CONJUNCTION WITH THE D&H CATTLE BRED TO BUCK FALL FEMALE SALE.

These animals have been bucked, handled and we are confident there are some Champions involved. There are bulls in here that have won events already, and many marked over 90. Some of these animals might not have put the perfect trips together yet, but the athleticism and potential for those have an infinite ceiling.

As the bull industry continues to adapt and grow with our times, the amount of winnings and venues these bulls will be able to compete at is very impressive. The ABBI and its members that constantly work to try and improve our platform are greatly appreciated.

We also would like to thank the ABBI for the opportunity to run our sale in conjunction with its biggest event of the year. While we might not be in Vegas this year, it is still very special. To everyone involved with helping us get these animals to this point we thank you too.

Thank you

The Pages and The Richards

WE WANTED TO OFFER A PAYOUT FOR OUR INCENTIVE THAT WOULD NOT ONLY BENEFIT THE TOP END, BUT WOULD GIVE EVERY CALF A SPOT TO PLAY FOR SOME BIG MONEY.

EACH CALF SOLD WILL BE ASSIGNED A DIVISION ELIGIBILITY BASED ON WHICH PRICE BRACKET THEY FALL IN FOLLOWING THE SALE. THERE WILL BE THREE DIVISIONS. FOR EXAMPLE:

- OPEN:** BULLS THAT SELL IN APPROXIMATELY THE TOP 33% OF THE SALE
- DIVISION 2:** BULLS THAT SELL IN APPROXIMATELY THE MIDDLE 33% OF THE SALE
- DIVISION 3:** BULLS THAT SELL IN APPROXIMATELY THE BOTTOM 33% OF THE SALE
(BASED ON SALE PRICES)

YOUR \$1,000 ENTRY FEE WILL NOT ONLY ENTER YOU IN THE OPEN BUT YOU WILL AUTOMATICALLY BE ENTERED IN ANY OTHER DIVISIONS THAT CALF IS ELIGIBLE FOR

IF YOUR BULL IS ELIGIBLE FOR THE DIVISION 2 HE WILL BE PLAYING FOR BOTH OPEN AND LEVEL 2 MONEY

IF YOUR BULL IS ELIGIBLE FOR THE DIVISION 3 HE WILL BE ELIGIBLE FOR DIVISION 2 AND OPEN MONEY

DIVISION 3 BULLS CAN ONLY ENTER THE DIVISION 3, BUT THEY WILL ONLY BE PLAYING FOR THE DIVISION 3 MONEY

DIVISION 3 ENTRY FEE: \$400 (IF ONLY ENTERED IN THE DIVISION 3)

THE MOST UNIQUE THING ABOUT THIS SYSTEM IS THAT BULLS ELIGIBLE FOR MORE THAN ONE DIVISION HAVE THE CHANCE TO WIN MORE THAN 1 CHECK, AS WELL AS ABBI MONEY (ABBI POINTS AND MONEY GO TOWARDS 2021 SEASON)!

If you're patient with this calf he will make you a pile of money by the time it's all said and done. Margy Time over LS 17! The dam to Air Time and Zero Time to name a few!! A 133X High Tensile son out of a full sibling to 927 Air Time! 717G has been automatic from the first time we bucked him. He's light on his feet and is really catty. He's been to two events, marked over 90 and 88.5 and brought home a check both times. He combines the consistency we've seen out of 133X but also carries the ability to be 90+. He will fill out and put on muscle by the start of next year and the sky is the limit on how good this bull will be.

29G has all the tools we look for: he gets his front end off the ground and really extends his kick. He is snappy and quick footed, he's the kind that will really get the judges attention!

This cool little paint has been a stud from the start! He has developed a pattern and knocks out the same tracks every time with a lot of intensity! He's showy and consistent, you can't ask them for much more.

G81 is a big stout Shepherd Hills Tested son. He gets off the ground with a ton of power and kick. Tested sons have been winning at every level and he has that kind of ability. Out of a Mossy Oak Mudslinger daughter who is out of the dam to Crosswired, he is a true breeding piece on top of his ability in the arena.

This is no futurity calf. However, if you want a bull that's big, has some moves to him, and you are not afraid to wait, tie into this calf.

This has been one of my favorite calves since day one. He bucks every time and leaves it all in the arena. He is a super athlete and gives it his all.

A full sibling to NFR and 2X PBR finals Bull 33 Livin Large. This calf has the size and he bucks. He may outgrow a dummy, but he should shine by the time he gets a rider on him. He should also make a solid breeding bull!

This is the biggest calf in our offering. He will still make a futurity calf but will also make a great rider bull as well. He has plenty of kick plus the speed and spin to go all the way.
