WELCOME TO THE 2021 BRED TO BUCK COW SALE

This sale is our original Bred to Buck Sale and will always be a special event for our program. Over the past 35 plus years our breeding program has never lost sight of producing premier bucking bull athletes, and we learned quickly that the great bulls are produced by great females. Our entire program is built around cow families and it has proven to work for us, as well as our customers. We have done the research, mated them to our very best bulls, and offer you the opportunity to buy with confidence.

This offering is loaded with remarkable females that are backed with outstanding pedigrees. We struggle with making sale selections every year. We want to offer a cross section of our breeding program and make this a special sale each time. The cows are elite and the calves at their side are astounding!

As everyone in this business knows, it's a struggle to get everything done and we certainly couldn't do it without great employees, family, and friends. We are blessed with so much support and we appreciate you all!

Study this catalog, do your research, and feel free to contact us with any questions. We look forward to seeing you sale day!

Thank you for your interest,
D&H Cattle
