Welcome to the VEGAS STYLE – YEARLING BUCKING BULL SALE, presented by D&H Cattle and Lone Star Bucking Bull Genetics. Its that time of year again, and we sure are happy to be back in Las Vegas! While last year was fun, there is just something about the ambiance of Las Vegas, that makes us feel like bucking bulls!

The bull calves we are offering in this sale are truly an athletic and talented set. Due to the Maiden Futurity and the \$200,000 the ABBI has added to events for this age group of calves, it is almost certain that the winningest dummy calf EVER will come out of this sale! Feel confident in your purchases and with the opportunity of those investments.

These bulls will also be eligible for our \$70,000 added (depending on sale lots) incentive to be held in Ardmore in conjunction with the D&H Bred to Buck Fall Female Sale.

We have been through some adversity this fall with COVID and a neck surgery, and sure would like to thank all of our support system, partners and friends for the help in getting these bulls into sale shape.

We appreciate Jay Daugherty and the ABBI, for partnering with us on the Frontier Rodeo's Yearling Maiden event and also allowing us to have our sale in conjunction with the Finals. The ABBI is making strides in moving the right direction and its support is bar-none. We appreciate all of the ABBI shareholders for the support and inspiration you give us to be the best.

Thank you

- Hocus Pocus calves are the real deal. They get off the ground, kick through it, and are winning at the Futurity, Derby and Classic events.
- 6H draws from his maternal side when it comes to his conformation, attitude, and potential to be rank. He shows a lot of the same traits as his grandsire Brutus. A shot of 10-120 is always a plus as well!

- 112H has limited trips and is starting to really put it together on the right. He has always tried a little too hard and just needed to slow down a notch, and he is doing that and looks impressive!
- His dam is by Fire Show out of a Showtime daughter, making him double bred Showtime on his bottom side, a cross that has worked for us over and over.

\$70,000

D&H Bulls are eligible for both incentives!

ADDED INCENTIVE FUTURITY

Bulls Selling in the 2021 Bred to Buck Vegas Style Yearling Bull Sale are all eligible for the Incentive Futurity to be held November 27th in Duncan, Oklahoma.

- \$70,000 added with 100% Payback (Numbers based on 70 sale lots)
- \$1,000 nomination fee to be paid by the new owner

Futurity implies that we are looking towards the future ability of these calves, but we all know how tough it is to be competitive in this game and that there is very few places for a vast majority of calves to be competitive. We wanted to offer a payout for our incentive that would not only benefit the top end, but would give every calf a spot to play for some big money.

Each calf sold will be assigned a division eligibility based on which price bracket they fall in following the sale. There will be three divisions. For example:

OPEN: Bulls that sell in APPROXIMATELY THE TOP 33% OF THE SALE

DIVISION 2: Bulls that sell in APPROXIMATELY THE MIDDLE 33% OF THE SALE; (BASED on sale prices)

DIVISION 3: bulls that sell in APPROXIMATELY THE BOTTOM 33% OF THE SALE; (BASED on sale prices)

Your \$1,000 entry fee will not only enter you in the open but you will automatically be entered in any other divisions that calf is eligible for

IF your bull is eligible for the Division 2 he will be playing for both OPEN and Level 2 money. IF your bull is eligible for the Division 3 he will be eligible for Division 2 and OPEN money. Division 3 bulls can only enter the Division 3, but they will only be playing for the Division 3 money.

DIVISION 3 ENTRY FEE: \$400 (If only entered in the division 3)

The most unique thing about this system is that bulls eligible for more than one division have the chance to win more than 1 check, as well as ABBI money (ABBI points and money go towards 2021 season)!

BELOW IS AN EXAMPLE FROM PAYOUT FROM OUR 2020 SALE. THESE NUMBERS ARE BASED OFF OF 67 SALE LOTS.

- Hard Knox was a favorite of mine and probably the rankest Long John son we have raised. It was a huge blow to lose him so early in his career, especially when we started seeing his offspring.
- This calf is out of the great W54 cow and has all the action she always puts on them. He is going to need some hands on work, but with his ability and breeding there's no doubt he is a big time prospect. The Hard Knox calves have been winning derbies left and right, this one has that same potential!
