## FALL FEMALE SALE

Welcome to our Fall Female Sale,

This sale is a very exciting one but also one of the most difficult sales to select the offering for. We want to continue to offer our very best females without losing our most proven cow families. These pedigrees continue to get deeper and more consistent in production.

We have witnessed our customers' success with females out of this sale and it is truly overwhelming. There is no doubt this offering will continue that tradition.

What a year for our proven cow families! The bull mates to the females in this offering were the most dominating two year olds we have ever taken to the World Finals Futurity events. We can't stress the value of great dams in the production of champion bucking bulls. This offering of females represents generations of proven pedigrees as well as daughters of what we believe are our very best young sires. We bred these females to what we felt were our very best bulls to use on first calf heifers. Many are bred to young bulls that we are certain will take us to the next level.

We want to thank all our crew for making everything happen. It takes an army, and we are blessed with great employees, family, and friends.

Come enjoy the meal, fellowship, and the sale Friday evening and watch the best yearling bulls in the world buck on Saturday. If you are unable to attend, you can bid live online at [cci.live](http://cci.live). Study this catalog, research the pedigrees, and buy with confidence.

Thank you,  
D&H Cattle

- Selling Open.
- Lifting Lives has been one of our most consistent sires of rank futurity calves the past few years. We are starting to see what his daughters can do now too! They are impressive!
- She is out of a full sister to Page T8, the dam to Bruiser.

- This female is bred to produce the rank ones! Nashota was outstanding but never fully reached his potential due to an injury. We have been bucking full siblings to him that are just as good so he was no fluke, and we think that will carry through to his offspring, especially his females!
- Her bottom side is pretty shiny as well! Bruiser out of the dam to Hard Times, the sire to Cool Whip!

- Cracker Breaker is a full sib to Flyin Train, who is the sire to Flyin Wired and Down Payment, calves who have dominated some of the biggest futurities in 2021. Cracker Breaker's first calf crop will be started in 2022, we have no doubt that he will produce as well and these females are going to be a wise investment!
- Some of the best females in the business are all over her pedigree, not to mention the bull power!
