SALE

NOVEMBER 1, 2022 at 5:00 P.M.
SOUTH POINT HOTEL & CASINO « LAS VEGAS, NV

We are super excited to welcome you to the most anticipated sale of the bucking bull industry, the Bred to Buck-Vegas Style Yearling Bucking Bull Sale. We are happy to set the stage at our “home away from home,” South Point Casino here in Las Vegas!

Before we focus on the bull calves we are offering, let's focus on what it means to purchase a bull out of this sale. This sale is coupled with the largest Sale Incentive purse in the industry. Over \$70,000 will be added to the incentive this year, in a tier style format which makes all price range calves capable of being a great investment. The incentive for this sale will take place on November 25th.

Last year's Vegas Style 2021 alumni bulls have won over \$900,000 in just the last 12 months! Let that really sink in! With calves like 761H Fast Flow, 5H Cold Rolled, H09 Incognito and 717H Syringa all holding place marks in history as Champions of some of the largest paying events in bucking bull history, all being in this sale last year. As they say, “the proof is in the pudding,” and we have the pudding. Get your buyers numbers, your favorite sale picks and bid often! This set of calves looks to be even more talented and have every bit of opportunity to be just as successful.

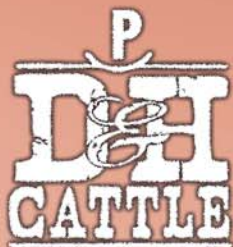

We would like to thank all our partners, which are appreciated beyond what we can ever express. We also could not do any of this without our great help and friends that love being involved in this industry.

We thank the ABBI and Jay Daugherty for the opportunity to showcase our breeding programs in this setting.

Thank you all,

Bulls Selling in the 2022 Bred to Buck Vegas Style Yearling Bull Sale are all eligible for the Incentive Futurity to be held November 27th in Duncan, Oklahoma.

- \$70,000 added with 100% Payback (Numbers based on 70 sale lots)
- \$1,000 nomination fee to be paid by the new owner

Futurity implies that we are looking towards the future ability of these calves, but we all know how tough it is to be competitive in this game and that there is very few places for a vast majority of calves to be competitive. We wanted to offer a payout for our incentive that would not only benefit the top end, but would give every calf a spot to play for some big money.

Each calf sold will be assigned a division eligibility based on which price bracket they fall in following the sale. There will be three divisions. For example:

OPEN: Bulls that sell in APPROXIMATELY THE TOP 33% OF THE SALE

DIVISION 2: Bulls that sell in APPROXIMATELY THE MIDDLE 33% OF THE SALE; (BASED on sale prices)

DIVISION 3: bulls that sell in APPROXIMATELY THE BOTTOM 33% OF THE SALE; (BASED on sale prices)

Your \$1,000 entry fee will not only enter you in the open but you will automatically be entered in any other divisions that calf is eligible for

IF your bull is eligible for the Division 2 he will be playing for both OPEN and Level 2 money. IF your bull is eligible for the Division 3 he will be eligible for Division 2 and OPEN money. Division 3 bulls can only enter the Division 3, but they will only be playing for the Division 3 money.

DIVISION 3 ENTRY FEE: \$400 (If only entered in the division 3)

The most unique thing about this system is that bulls eligible for more than one division have the chance to win more than 1 check.

Below is an example from our Payout from our 2021 Sale. These numbers are based off of 50 entires.

	OPEN	DIVISION 2	DIVISION 3
1st	\$ 27,610	1st \$ 7,776	1st \$ 3,960
