TERMS OF SALE

All buyers must register prior to bidding. Each buyer will be issued a buyer's number. Supplement sheets with updated DNA results and current breeding information will be available sale day. All announcements sale day override catalog information. D&H Cattle Company does not guarantee the service sires on bred females (accidents do happen). Health certificates will be available for cattle traveling out of state. All cattle are to be paid for prior to loading. Cattle selling by guest consignors are not guaranteed by D&H Cattle. D&H Cattle Company is not responsible for accidents.

**Watch & Bid Online
at www.cci.live**

Welcome to the 2023 Bred to Buck Fall Female Sale,

We welcome you to our Fall Female sale, this sale is an exciting one for our program. We have spent 40 plus years building this cow herd and have strived to identify the cow families that consistently produce the great bucking bulls. We have them narrowed down to a handful of cow families and all these females selling are backed by what we believe are the very best.

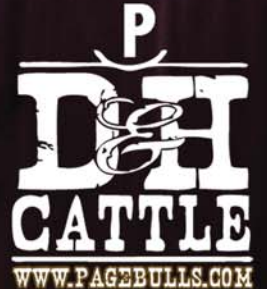

This sale has a history of offering females that produce superstars for our customers. Every year there are multiple success stories from the offspring produced out of the females purchased in this sale. They do represent our freshest genetics and they are mated to our most exciting young bulls. We don't sort the sale heifers until after breeding season, so they are all bred just like our keeping heifers. Our breeding bulls are selected based on pedigree and performance.

Our operation has certainly grown over the years and it takes a small army to make it all happen. Thanks to our great employees, family, and friends for all your time and dedication to make this program successful.

We invite you to enjoy a meal prior to the sale Saturday evening. If you are unable to attend, you can bid live online at cci.live. Study this catalog, research the pedigrees, and buy with confidence.

Thank you,
D&H Cattle
